

### TOUR DIRECTIONS

Begin in Missoula with the first two features, then take I-90 west to Exit 96 and follow the route directions. The entire trip is about 225 miles and takes at least 4 hours. Returning via St. Regis or by retracing the route to Exit 96 and driving to Nine Mile takes about the same time. Tour stops are numbered. Stops are in a separate PDF next to where this map was found on the website.
